Serving Disabled Community for 20 years and counting.....

Dear Sir/Madam,
Greetings!

Beautiful Gate Foundation For The Disabled 25th Jubilee Celebration & Thanksgiving Gala Dinner

Beautiful Gate is a non-profit organisation focus on providing various services to people with disabilities (PWD) since 1993 and the first centre for the disabled was established in 1995 in Petaling Jaya. We are committed to provide accommodation, food, skill training and other services to people with physical disabilities. The Independent Living Program (ILP) is especially established to enable to train and enable them to live independently in the community.

Beautiful Gate also emphasize on encouraging personal growth and transformation among all the PWDs at various centres who are making a difference in their local society. For example, Miss Hee Sin Chee is one of our latest young achiever in the Petaling Jaya centre. She suffers from Cerebral Palsy and used to be shy and rather withdrawn, after being with us for the past year, she is now able to travel independently, participate in the centre's activities, lead devotions and conduct sales to earn a small living.

After 25 years of hard work and with various financial support from generous individuals and companies, we have progressed further. To date, we have eight centres located in different towns of West Malaysia. All our centres are managed by a team of an experience and caring management committee and trained disabled persons.

We are delighted to look forward to our new "**Beautiful Gate Headquarter & Disabled Leaders' Training Centre**" which the construction was commenced in the Year 2014 and will be incompleteness by the Year 2019. This brand new **Beautiful Gate** Headquarter will be equipped with various facilities and will have a more conducive environment to meet future needs for the operation, administration and the training for the disabled. The **BG** building construction project is on pace to transform our vision of liberating the lives of PWD into reality!

In conjunction with our BG's **25th Jubilee Celebration**, we are organising an auspicious **Thanksgiving Gala Dinner** on **(9-11-2018)** at **7.30pm** at **Restaurant SinChoiWah** in Kepong, Kuala Lumpur. We hope to raise **RM 1 Million** for the Beautiful Gate Foundation. We appreciate your generous financial support and sponsorship to enable us to reach another milestone in our future development and endeavours.

For further enquiries, please **WhatsApp** to **Ms. Helen (019-3849921)** or visit our website at <http://www.beautifulgate.org.my> or email to us at info@beautifulgate.org.my
